Exciting Opportunity for Young Teenage Women!

\$188,000 IN SCHOLARSHIPS TO BE AWARDED!

Miss Texas Teen USA® is an Official Preliminary to the MISS TEEN USA® Pageant. Independently conducted and produced by The Crystal Group, Inc., under license by IMG Universe LLC dba- The Miss Universe Organization. MISS UNIVERSE®, MISS TEEN USA®, and MISS USA® and all variants thereof, the "Woman with Stars" Logo and the crown designs are all registered trademarks and copyrights of The Miss Universe Organization.

The MISS TEXAS TEEN USA® Pageant will be held in Houston, Texas November 24 - 26, 2017, the Friday, Saturday and Sunday following Thanksgiving. We are sure that your school has many young women who possess that special combination of personal charm, attractiveness, and articulation that would qualify her as an entrant. Here's where we need your help!

Registration for the Pageant is now open! Please take a few moments to consider who you feel should represent your school and community in the State Pageant. You may recommend as many students as you would like. One of the young women you recommend could ultimately be the next **MISS TEEN USA®!**

Entrants must be single, never married nor have been a parent, a United States citizen, and at least a six-month resident of Texas. They also must be at least 14 years of age and under 19 years of age to qualify. (Of course, if she does not fall into this age group, she may qualify for Miss Texas USA®.)

Our program is designed to be an excellent vehicle for advancing both personal and career goals. As a contestant, each entrant will be judged in three categories consisting of Personal Interviews, Active Wear, and Evening Gown. **Performing talent is NOT a requirement.** Our judges will be from varied exciting backgrounds and will include some of pageantry's most qualified individuals!

The winner of our Pageant will embark on a journey that will include receiving a fabulous prize package, including cash, wardrobe, travel, personal appearances, and a \$20,000 scholarship to Lindenwood University in St. Louis, Missouri. (It's important to note that not only the winner benefits from this positive experience, or from our scholarship program! The four runners-up and semi-finalists all receive scholarships totaling \$168,000.) Of course, the most thrilling part of her reign will be a trip to compete for the prestigious title of MISS TEEN USA®. The "winner" we are speaking of could very well be a member of your student body!

Well, let's get started. Once you've selected a young lady, or young ladies, you would be proud to recommend for this year's event, give her a copy of this letter along with the enclosed form (Make as many copies as you need.) **She** then needs to follow these directions carefully:

- **Complete the enclosed information sheet. It must be typed or handwritten legibly.**
- **Select a recent snapshot and mark the back with name. This will not be returned; need not be professional.**
- **Mail the completed form and snapshot to Pageant Headquarters as soon as possible. (Don't delay. Limited spots are available and registration will close as soon as capacity is filled with maximum number of qualified contestants we can accommodate.)**

Once received and reviewed, the selection committee will notify her by mail if she has been chosen to be invited to participate in this year's pageant.

It is our job to choose the most outstanding young women of our state, regardless of hometown, experience, school or employment. We can do that only with the help of professionals such as you. In our program, we offer this opportunity to qualified applicants and will assist them in their preparation for the pageant and during the pageant itself. As an extra bonus to you and your school, if one of the young women YOU recommend to the pageant wins the state title, the pageant will donate \$500 to your school in the department of your choice.

CYPRESS RESIDENT IN THE SPOTLIGHT! Visit us on the web at www.misstexasusa.com and meet the current MISS TEXAS TEEN USA, 19-year-old, Kirby Lindley, who placed as a Semifinalist in the national Miss Teen USA competition. While self-doubt and anxiety about one's looks are not unique among high school girls, what has set Kirby apart is that she learned to look outside herself and develop the concern and desire to befriend and help other teenagers. Kirby will transfer to Texas A&M University in September to major in Communications with a minor in real estate and marketing. Kirby volunteers for Habitat for Humanity, Reach Unlimited (providing support services for people with intellectual and developmental disabilities), Harvest Bible Church, and Buckner International (serving vulnerable children and senior adults, and building "strong families through Christ-centered values").
