Guidelines for FFA Booster Club Scholarship

The purpose of the FFA Booster Club Scholarship is to help fund the education of students interested in the pursuit of higher education and thereby make better the FFA program for future generations of students and adults.

The officers of the Booster Club may refuse to award any scholarships, if students do not meet the eligibility requirements.

Scholarships will be distributed at the discretion of the Booster Club. Students are required to meet or exceed a 2.0 GPA each semester. Those who do not meet the GPA will be on suspension from the scholarship and will forfeit scholarship monies for one semester until the GPA is recovered. Students who do not meet the minimal GPA for two consecutive semesters will forfeit all remaining scholarship money back to the FFA Scholarship Fund.

An outside qualified third party scholarship committee will choose the most qualified scholarship recipient(s). All decisions are final.

Eligibility:

Applicant must be a fully accredited graduating senior of DCHS, he or she may be a mid-term graduate or a spring graduate.

Applicant must have two full credits of any Agri-Science course. That student must also have been an active, dues paying member and involved in other FFA activities for 3 years during their High School tenure of 9th through 12th grades; senior year will be required as one of the active 3 years.

Applicant must enroll in college courses no later than the fall semester following high school graduation before monies will be paid. Proof of enrollment must be submitted to the President and Treasurer of the Booster Club. Exceptions must be involuntary and approved by the officers.

Monies will be paid per semester and proof of enrollment and GPA is mandatory. Students who are put on scholastic probation must notify the board immediately.

Application

(First Name) (M.I.) (Last Name)

(Social Security Number) (Age) (Area Code & Phone Number)

Home Address: _____
(Street, Route, Box Number)

(City) (County) (Zip Code)

Name of FFA Chapter: _____

Date Applicant is to Graduate: _____

List all Agri-Science Courses taken and Credits Received: _____
