

Chad Lowrey Memorial Scholarship

The Chad Lowrey Memorial Scholarship continues a legacy of giving back to the community and agriculture in honor of Chad Lowrey.

Growing up, Chad was involved in agriculture both through his farming family, and in his involvement with the FFA. His interest, involvement and passion eventually earned him the Lone Star Farmer award, which he achieved his senior year in high school.

Lessons he learned through high school eventually became skills, which he passed on to his children and others in the community whom he mentored.

Never too busy to lend a hand, Chad devoted countless hours to the community as he gave back his time and knowledge through the local fire department, 4-H, FFA and his family.

The scholarship will be available to Denver City and Plains, Texas high school graduating seniors actively involved in their local 4-H and FFA programs.

Should no eligible candidates apply for the scholarship, the committee will not award a scholarship.

Scholarship recipients will receive \$500.00 for their first semester of college upon showing an enrollment verification form from their respective college or university.
