MEWBOURNE OIL COMPANY ENGINEERING FUTURES SCHOLARSHIP APPLICATION

The energy sector, and in particular the oil and gas industry, has been and continues to be a vital part of economic development within the United States and the world's global economy. The oil and gas industry continues to improve its' environmental footprint while creating an efficient and cost-effective energy source for a rapidly developing and diverse global economy. Established in 1965, Mewbourne Oil Company has grown into one of the more prominent independent oil and natural gas producers in the Anadarko and Permian Basins of Texas, Oklahoma, and New Mexico. Curtis Mewbourne founder and owner has always attributed Mewbourne's success to the people who have worked and become part of Mewbourne's extended family. In addition, Mr. Mewbourne realized that giving back to the industry and education system through scholarships is a critical factor in helping prepare the future leaders of the industry succeed. The Mewbourne Oil Company Engineering Futures Scholarship was another step to achieve this goal by providing money to high school seniors that have enrolled in the Texas Tech University, New Mexico Tech or University of Texas of the Permian Basin's petroleum engineering programs.

Recipients of the Mewbourne Oil Company Engineering Futures Scholarship will receive the following:

- *Annual renewable scholarship, up to \$1,500 per semester or \$3,000 per year.*

Qualifications

- Acceptance to University of Oklahoma, Texas Tech University, New Mexico Tech, or University of Texas of the Permian Basin
- Strong academic record that reflects preparation for, and abilities to succeed at college-level work
- Balanced high school record in terms of activities, involvement, and academics
- Demonstrated leadership ability and experience
- School and community involvement
- Understanding of and commitment to the oil and gas industry as a career

Selection Process

- Complete and return the Engineering Futures Scholarship Application (on reverse side) and supporting materials to scholarship@mewbourne.com
- Finalists will be contacted/interviewed by a representative of the Mewbourne Scholars Committee to develop additional insight into candidate's qualifications and interests
